ABOUT US

We help people climb, one step at a time.

Most new businesses spend their first year on market research, branding and trial and error. Our clients skip much of that. Unnati Ladder connects them with franchise brands that already work, and with the expertise to run them well.

For those with an idea of their own, our marketers, advisors and legal team help build a new brand properly: validating the concept, creating the identity and planning the launch.

FOUR WAYS UP

Pick the path that fits where you are today.

01

Take a franchise

Run an established brand from day one. We find the right fit and get you registered.

02

Run multiple brands

Add outlets or new brands across industries, all through one partner.

03

Launch your own brand

We test your idea, build the brand and plan a launch that gets noticed.

04

Invest as a partner

Back a growing brand at the right moment, as investor or business partner.

Franchise models we work with

FOFO

Franchise Owned, Franchise Operated

- You own and run the outlet
- Full ownership and control
- Brand provides systems and training

FOCO

Franchise Owned, Company Operated

- One-time investment
- The brand runs branding and operations
- A hands-off model for investors

Lease

Brand Leasing

- Use the brand for a set duration
- Use the brand in a set location
- Build on its experience for your own brand

WHAT WE DO

Six ways we help you grow.

More than getting you started: we stay with you through execution with a ready package of consulting for the areas that matter most.

Franchising

We match you with the right brand, then take you through registration and the franchise agreement, step by step.

Strategic Planning

A practical plan for your market, sales and marketing, end to end, with support through execution.

Brand Leasing

Lease an established brand and reach the market faster, backed by sales methods that have already worked.

Sales Training

Hands-on training for you and your sales team, built on the tactics leading brands use.

Branding

Name, identity, concept design and launch marketing that give a new business real presence.

Idea Validation

Before you invest, we test the idea against the market and help turn it into a go-to-market plan.

Our expertise also covers

- ✓ Ongoing branding consultancy
- ✓ Sales growth consulting
- ✓ Training sales teams
- ✓ Strategic planning and execution
- ✓ Idea creation and concept design
- ✓ Go-to-market plans and support

HOW IT WORKS

From first call to open doors, in five clear steps.

01

Discover

Your goals, budget, city and the business you want to run.

02

Shortlist

Brands and models that genuinely fit, compared side by side.

03

Secure

Registration, agreements and planning with our advisors and legal team.

04

Launch

Branding, marketing and sales training so you open with momentum.

05

Scale

Support as you grow: more outlets, more brands, new investments.

COMMERCIALS

Simple, transparent fees.

No surprises: you know what you pay and who pays it before we begin.

WHY UNNATI LADDER

What makes us different.

You come first

We put your requirements ahead of the deal. Every recommendation is relevant to you and explained transparently.

One team, every skill

Marketers, advisors and lawyers work together on your business, so nothing falls between the cracks.

Guided start to finish

From understanding your idea to marketing your brand, an expert oversees every step, and your input shapes the plan.

How much do I need to invest?

It depends on the brand and format. Our catalogue starts from a few lakh for kiosks and mobile formats.

I've never run a business. Can I still do this?

Yes. Many of our clients are first-time entrepreneurs; a franchise comes with a proven system, and we train you.

What happens after I get in touch?

A consultant calls to understand your goals and budget, then shortlists options for you. No obligation.

Ready to take the next step?

Book a free, no-obligation consultation with our team.
